32 Chair Fancher went to each Commissioner in turn seeking their comments and questions. There was discussion,
33 including questions and answers, between the Commissioners and city staff concerning the code amendments
34 associated with Ordinance No. 1626. The discussion included Mr. Dahlgren, who was allowed to answer
35 questions and speak during the discussion. Ms. Burrell offered to bring back to the next Planning Commission
36 Meeting a synopsis of the differences between Ordinance No. 1611-A and Ordinance No. 1626.
37

38 **AGENDA ITEM #7 Wireless Public Facilities Continued Discussion**

39 Ms. Hyde briefed the Commissioners on the status of incorporating the Commission's comments and suggestions
40 from their last meeting into the revised version of the amendments to Wireless Public Facilities. There was
41 discussion, including questions and answers, between the Commissioners and city staff concerning the code
42 amendments of the Wireless Public Facilities Draft Ordinance.
43

44 Chair Fancher made a request of staff to put on a future Planning Commission Agenda the topic of (the city's)
45 utility pole designs and standards.
46

47 Eileen Keiffer briefed the Commissioners and city staff on a conference she had attended at the National
48 Association of Telecom Officers & Advisors, and described some of the cell tower pole designs she had seen.
49 There was discussion between the Commissioners, city staff, and Ms. Keiffer concerning cell tower pole designs,
50 site screening, and site features. There was a consensus by the Commission to require site screening to be on site,
51 and not on adjacent properties.
52

53 There was continued discussion, including questions and answers, between the Commissioners, city staff, and Ms.
54 Keiffer, concerning the code amendments of the Wireless Public Facilities Draft Ordinance. The discussion was

1 free flowing, and city staff recorded on a white board the suggestions and ideas from the Commission of preferred
2 locations within the city where wireless public facilities could be allowed, as well as height limits, setbacks &
3 buffers, and the types of wireless facilities.

4
5 Commissioner Miller suggested putting nesting material atop the mono poles to encourage wildlife to use it.
6 There was a general agreement with Commissioner Miller's suggestion.
7

8 The discussion continued, including questions and answers, between the Commissioners, city staff, and Ms.
9 Keiffer, concerning the code amendments of the Wireless Public Facilities Draft Ordinance. After the discussion,
10 city staff advised that they would take the recommendations from the Planning Commission of changes to the
11 Wireless Public Facilities Draft Ordinance to the next meeting of the Community & Economic Development
12 Council Committee.
13

14 **For the Good of the Order**

15 Commissioner Miller asked about a gentleman seen walking in downtown today looking like a security guard or
16 police officer walking back and forth, looking bored, she was told. No one had any information about this person
17 or what his function was. Ms. Burrell suggested that Tom Mohr, Public Works Deputy Director, would know the
18 answer if this person was working for the city in some capacity.
19

20 **ADJOURNMENT**

21 The meeting was adjourned at 10:24 PM.
22

23 **NEXT PLANNING COMMISSION MEETING:**

24 The next Planning Commission meeting will be held September 28, 2017 at the City Hall Conference Room.
