CONTRACT TERMS AND CONDITIONS

PUBLIC WORKS BOARD PRE-CONSTRUCTION LOAN PROGRAM

Part 1. SPECIAL TERMS AND CONDITIONS

1.1 Definitions

As used throughout this Pre-Construction Loan Contract the following terms shall have the meaning set forth below:

- A. "Contract" shall mean this Pre-Construction Loan Contract.
- B. "Contractor" shall mean the local government identified on the Contract Face Sheet performing service(s) under this Contract and who is a Party to the Contract, and shall include all employees and agents of the Contractor.
- C. "The Board" shall mean the Washington State Public Works Board created in Revised Code of Washington (RCW) 43.155.030, and who is a Party to the Contract.
- D. "Declarations" and "Declared" shall refer to the project information, loan terms and conditions as stated on the Declarations Page of this Loan Contract, displayed within the contract in **THIS STYLE** for easier identification.

1.2 Authority

Acting under the authority of Chapter 43.155 RCW, the Board has awarded the Contractor a Public Works Board pre-construction loan for an approved public works project.

1.3 Purpose

The Board and the Contractor have entered into this Contract to undertake a local public works project that furthers the goals and objectives of the Washington State Public Works Program. The project will be undertaken by the Contractor and will include the activities described in the **SCOPE OF WORK** shown on the Declarations page. The project must be undertaken in accordance with the loan terms and conditions, and all applicable federal, state and local laws and ordinances, which by this reference are incorporated into this Contract as though set forth fully herein.

1.4 Order of Precedence

In the event of an inconsistency in this Contract, the inconsistency shall be resolved by giving precedence in the following order:

- A. Applicable federal and state of Washington statutes and regulations.
- B. Special Terms and Conditions including attachments.
- C. General Terms and Conditions.

1.5 Competitive Bidding Requirements

The Contractor shall comply with the provisions of RCW 43.155.060 regarding competitive bidding requirements for projects assisted in whole or in part with money from the Public Works Program.

1.6 Default in Repayment

Loan repayments shall be made on the loan in accordance with Section 1.18 of this Contract. A payment not received within thirty (30) days of the due date shall be declared delinquent. Delinquent payments shall be assessed a monthly penalty beginning on the first (1st) day past the due date. The penalty will be assessed on the entire payment amount. The penalty will be one percent (1%) per month or twelve percent (12%) per annum. The same penalty terms shall apply at project completion if the repayment of loan funds in excess of eligible costs are not repaid at the time the Project Completion Amendment is submitted, as provided for in Section 1.13.

The Contractor acknowledges and agrees to the Board's right, upon delinquency in the payment of any annual installment, to notify any other entity, creditors, or potential creditors of the Contractor of such delinquency.

The Contractor shall be responsible for all legal fees incurred by the Board in any action undertaken to enforce its rights under this section.

1.7 Sub-Contractor Data Collection

Contractor will submit reports, in a form and format to be provided by Commerce and at intervals as agreed by the parties, regarding work under this Contract performed by sub-contractors and the portion of the Contract funds expended for work performed by sub-contractors, including but not necessarily limited to minority-owned, women-owned, and veteran-owned business sub-contractors. "Sub-Contractors" shall mean sub-contractors of any tier.

1.8 Eligible Project Costs

The Eligible project costs must consist of expenditures eligible under Washington Administrative Code (WAC) 399-30-030 and be related only to project activities described in declared **SCOPE OF WORK**.

Eligible costs for reimbursement shall be construed to mean expenditures incurred and paid, or incurred and payable within thirty (30) days of the reimbursement request. Only costs that have been incurred on or after **LOAN REIMBURSEMENT START DATE** shown in the Declarations are eligible for reimbursement under this Contract.

The Contractor assures compliance with WAC 399-30-030, which identifies eligible costs for projects assisted with Public Works Board loans.

These terms supersede the terms in Section 2.2. Allowable Costs.

1.9 Historical and Cultural Resources

Prior to commencing construction, Contractor shall complete the requirements of Governor's Executive Order 05-05, or, as an alternative to completion of Governor's Executive Order 05-05, Contractor shall complete Section 106 of the National Historic Preservation Act, as applicable. Contractor agrees that the Contractor is legally and financially responsible for compliance with all laws, regulations, and agreements related to the preservation of historical or cultural resources and agrees to hold harmless the Board and the State of Washington in relation to any claim related to such historical or cultural resources discovered, disturbed, or damaged as a result of the project funded by this Contract.

In addition to the requirements set forth in this Contract, Contractor shall, in accordance with Governor's Executive Order 05-05, coordinate with the Washington State Department of Archaeology and Historic Preservation (DAHP), including any recommended consultation with any affected tribe(s), during project design and prior to construction to determine the existence of any tribal cultural resources affected by the proposed project funded by this Contract. Contractor agrees to avoid, minimize, or mitigate impacts to cultural resources as a continuing pre-requisite to receipt of funds under this Contract.

The Contractor agrees that, unless the Contractor is proceeding under an approved historical and cultural monitoring plan or other memorandum of agreement, if historical or cultural resources are discovered during construction, the Contractor shall immediately stop work and notify the local historical preservation officer and the state's historic preservation officer at DAHP. If human remains are uncovered, the Contractor shall report the presence and location of the remains to the coroner and local enforcement immediately, then contact DAHP and the concerned tribe's cultural staff or committee.

The Contractor shall require this provision to be contained in all sub-contracts for work or services related to the declared **SCOPE OF WORK**.

In addition to the requirements set forth in this Contract, Contractor agrees to comply with RCW 27.44.040 regarding Indian Graves and Records; RCW 27.53 regarding Archaeological Sites and Resources; RCW 68.60 regarding Abandoned and Historic Cemeteries and Historic Graves; and, WAC 25-48 regarding Archaeological Excavation and Removal Permits.

Completion of the Section 106 of the National Historic Preservation Act shall substitute for completion of Governor's Executive Order 05-05.

In the event that the Contractor finds it necessary to amend **SCOPE OF WORK**, the Contractor may be required to re-comply with Governor's Executive Order 05-05 or Section 106 of the National Historic Preservation Act.

1.10 Project Completion Amendment and Certified Project Completion Report

The Contractor shall complete a Certified Project Completion Report when all activities identified in the **SCOPE OF WORK** are complete. The Board will supply the Contractor with the Certified Project Completion Report form, which shall include:

- A. A certified statement that the project, as described in the declared **SCOPE OF WORK**, is complete and, if applicable, meets required standards.
- B. A certified statement of the actual dollar amounts spent, from all funding sources, in completing the project as described in the **SCOPE OF WORK**.
- C. Certification that all costs associated with the project have been incurred and have been accounted for. Costs are incurred when goods and services are received and/or contract work is performed.
- D. A final voucher for the remaining eligible funds.

The Contractor will submit the Certified Project Completion Report together with the last Invoice Voucher for a sum not to exceed the balance of the loan amount. The final Invoice Voucher payment shall not occur prior to the completion of all project activities identified in the **SCOPE OF WORK** and the Board's receipt and acceptance of the Certified Project Completion Report.

The Project Completion Amendment shall serve as an amendment to this Contract determining the final loan amount, local share, term, and interest rate.

1.11 Rate, Loan Forgiveness and Term of Loan

The Board shall loan the Contractor a sum not to exceed the **LOAN AMOUNT** shown on the Contract Face Sheet and declared on the Contract Declarations Page. The interest rate shall be the declared **INTEREST RATE** per annum on the outstanding principal balance. The amount of loan forgiveness (if applicable) shall be as stated on the attached Declarations Page, and identified therein as **LOAN FORGIVENESS %**. The length of the loan shall not exceed the declared **LOAN TERM** in years, with the final payment due by the **CONTRACT END DATE** as shown on the Contract Face Sheet.

The loan forgiveness shall be applied at project completion and shall apply to the lesser of the loan amount or the actual eligible costs and that declared percent on any accrued interest. The percent of loan forgiveness and interest rate shall not be changed, regardless of the actual cost of the project and the Affordability Index at project completion.

The BOARD may extend the term limit of the Pre-Construction project to twenty years when the jurisdiction demonstrates that 30% of the funding necessary for construction of the project has been secured. The BORROWER must provide written documentation of construction funding commitment before the first principal payment is due.

1.12 Recapture

The right of recapture Section 2.32. Recapture, shall exist for a period not to exceed six (6) years following contract termination. In the event that the Board is required to institute legal proceedings to enforce the recapture provision, the Board shall be entitled to its costs thereof, including attorney's fees.

1.13 Reimbursement Procedures and Payment

If funding or appropriation is not available at the time the invoice is submitted, or when this contract is executed, the issuance of warrants will be delayed or suspended until such time as funds or appropriation become available. Therefore, subject to the availability of funds, warrants shall be issued to the Contractor for reimbursement of allowable expenses incurred by the Contractor while undertaking and administering approved project activities in accordance with the declared **SCOPE OF WORK**.

The Board shall reimburse the Contractor for eligible project expenditures up to the maximum loan amount under this contract, as identified in Section 1.10. When requesting reimbursement for costs incurred, the Contractor shall submit a signed and completed Invoice Voucher (Form A19), referencing the **SCOPE OF WORK** project activity performed, and any appropriate documentation such as bills, invoices, and receipts. The Invoice Voucher must be certified by an official of the Contractor with authority to bind the Contractor.

The Contractor shall submit all Invoice Vouchers and all required documentation to:

Public Works Board
Attn: (Program Specialist)
PO Box 42525
Olympia, WA 98504-2525

The Board will pay the Contractor upon acceptance of the work performed and receipt of properly completed invoices. Invoices shall be submitted to the Board not more often than monthly.

Payment shall be considered timely if made by the Board within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by the Contractor.

The Board may, at its sole discretion, terminate the contract or withhold payments claimed by the Contractor for services rendered if the Contractor fails to satisfactorily comply with any term or condition of this contract.

No payments in advance or in anticipation of services or supplies to be provided under this contract shall be made by the Board.

Duplication of Billed Costs. If the Contractor is entitled to payment or has been or will be paid by another source for an eligible project cost, then the Contractor shall not be reimbursed by the Board for that cost.

Disallowed Costs. The Contractor is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

In no event shall the total Public Works loan exceed 100% of the eligible actual project costs. At the time of project completion, the Contractor shall submit to the Board a Project Completion Amendment certifying the total actual project costs and local share. The final Public Works loan disbursement shall bring the total loan to the lesser of 100% of the eligible project costs or the total declared **LOAN AMOUNT**. The Project Completion Amendment shall serve as an amendment to this Contract determining the final loan amount, local share, and interest rate.

In the event that the final costs identified in the Project Completion Amendment indicate that the Contractor has received Public Works Board monies in excess of 100.00% of eligible costs, all funds in excess of 100.00% shall be repaid to the Public Works Board by payment to the Department of Commerce, or its successor, together with the submission of the Project Completion Amendment.

1.14 Repayment

Loan repayment installments are due on the day and month identified under the term: **PAYMENT MONTH** on the Declarations Page. Payments are due each year during the term of the loan beginning one year from the date of contract execution. Interest only will be charged for this payment if a warrant is issued prior to this date. All subsequent payments shall consist of principal and accrued interest due on the specified **PAYMENT MONTH** date of each year during the remaining term of the loan.

Repayment of the loan under this Contract shall include the declared **INTEREST RATE** per annum based on a three hundred and sixty (360) day year of twelve (12) thirty (30) day months. Interest will begin to accrue from the date each warrant is issued to the Contractor. The final payment shall be on or before the **CONTRACT END DATE** shown on the Declarations page, of an amount sufficient to bring the loan balance to zero.

The Contractor will repay the loan in accordance with the preceding conditions through the use of a check, money order, or equivalent means made payable to the Washington State Department of Commerce, or its successor.

1.15 Reports

The Contractor shall furnish the Board with:

- A. Project Status Reports with each Invoice Voucher;
- B. Project Quarterly Reports (if no funds have been reimbursed in the quarter) and/or Quarterly Expenditures Report;
- C. Certified Project Completion Report at project completion (as described in Section 1.13); and
- D. Other reports as the Board may require.

1.16 Termination for Cause

If the Contractor fails to comply with the terms of this Contract, or fails to use the loan proceeds only for those activities identified in the **SCOPE OF WORK**, the Board may terminate the Contract in whole or in part at any time. The Board shall notify the Contractor in writing of its determination to terminate, the reason for such termination, and the effective date of the termination. Nothing in this section shall affect the Contractor's obligation to repay the unpaid balance of the loan.

These terms supersede the terms in Section 2.41 Termination for Cause/Suspension.

1.17 Termination for Convenience

The Board may terminate this contract in the event that state funds are no longer available to the Board, or are not appropriated for the purpose of meeting the Board's obligations under this contract. Termination will be effective when the Board sends written notice of termination to the Contractor. Nothing in this section shall affect the Contractor's obligation to repay the unpaid balance of the loan.

These terms supersede the terms in Section 2.42 Termination for Convenience.

1.18 Time of Performance

No later than twenty-four (24) months after the date of contract execution the Contractor must reach project completion.

Failure to meet Time of Performance shall constitute default of this contract. In the event of extenuating circumstances, the Contractor may request, in writing, that the Board extend the deadline for project completion. The Board may extend the deadline.

The term of this contract shall be for the entire term of the loan, regardless of actual project completion, unless terminated sooner as provided herein.

1.19 Contract Suspension

In the event that the Washington State Legislature fails to pass and the Governor does not authorize a Capital Budget by June 30 of each biennium, the Washington State Constitution Article 8 and RCW 43.88.130 and RCW 43.88.290 prohibit expenditures or commitments of state funds in the absence of appropriation.

In such event, all work will be suspended effective July 1. The Contractor shall immediately suspend work and take all reasonable steps necessary to minimize the cost of performance directly attributable to such suspension until the suspension is cancelled.

THE BOARD shall notify the Contractor immediately upon lifting of the contract suspension.

1.20 Special Conditions

If **SPECIAL CONDITIONS** are listed on the Contract Declarations Page then these conditions are herein incorporated as part of the terms and requirements of this contract.

The Contractor shall provide access to its facilities for this purpose.

2.36 SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, the Board may terminate the Contract under the "Termination for Convenience" clause, without the ten business day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

2.37 SEVERABILITY

If any provision of this Contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Contract that can be given effect without the invalid provision, if such remainder conforms to the requirements of law and the fundamental purpose of this Contract and to this end the provisions of this Contract are declared to be severable.

2.38 SUBCONTRACTING

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of the Board.

The Contractor is responsible to the Board if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the Subcontractor to assure fiscal

conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to the Board for any breach in the performance of the Contractor's duties.

In event the Board determines that the Contractor failed to comply with any term or condition of this Contract, the Board may terminate the Contract in whole or in part upon written notice to the Contractor. Such termination shall be deemed "for cause." Termination shall take effect on the date specified in the notice.

In the alternative, the Board upon written notice may allow the Contractor a specific period of time in which to correct the non-compliance. During the corrective-action time period, the Board may suspend further payment to the Contractor in whole or in part, or may restrict the Contractor's right to perform duties under this Contract. Failure by the Contractor to take timely corrective action shall allow the Board to terminate the Contract upon written notice to the Contractor.

"Termination for Cause" shall be deemed a "Termination for Convenience" when the Board determines that the Contractor did not fail to comply with the terms of the Contract or when the Board determines the failure was not caused by the Contractor's actions or negligence.

If the Contract is terminated for cause, the Contractor shall be liable for damages as authorized by law, including, but not limited to, any cost difference between the original contract and the replacement contract, as well as all costs associated with entering into the replacement contract (i.e., competitive bidding, mailing, advertising, and staff time).

2.42 TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract the Board may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, the Board shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

2.43 TERMINATION PROCEDURES

After receipt of a notice of termination, except as otherwise directed by the Board, the Contractor shall:

- A.** Stop work under the Contract on the date, and to the extent specified, in the notice;
- B.** Place no further orders or subcontracts for materials, services, or facilities related to the Contract;
- C.** Assign to the State all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the Board has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts. Any attempt by the Contractor to settle such claims must have the prior written approval of the Board; and

D. Preserve and transfer any materials, contract deliverables and/or the Board property in the Contractor's possession as directed by the Board.

Upon termination of the Contract, the Board shall pay the Contractor for any service provided by the Contractor under the Contract prior to the date of termination. The Board may withhold any amount due as the Board reasonably determines is necessary to protect the Board against potential loss or liability resulting from the termination. The Board shall pay any withheld amount to the Contractor if the Board later determines that loss or liability will not occur.

The rights and remedies of the Board under this section are in addition to any other rights and remedies provided under this Contract or otherwise provided under law.

2.44 WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by Authorized Representative of the Board.

ATTACHMENT I: ATTORNEY'S CERTIFICATION

PUBLIC WORKS BOARD PRE-CONSTRUCTION LOAN PROGRAM

**City of North Bend
Loan Number: PR18-96103-071**

I, _____, hereby certify:

I am an attorney at law admitted to practice in the State of Washington and the duly appointed attorney of the City of North Bend (the Contractor); and

I have also examined any and all documents and records which are pertinent to the Contract, including the application requesting this financial assistance.

Based on the foregoing, it is my opinion that:

1. The Contractor is a public body, properly constituted and operating under the laws of the State of Washington, empowered to receive and expend federal, state and local funds, to contract with the State of Washington, and to receive and expend the funds involved to accomplish the objectives set forth in their application.
2. The Contractor is empowered to accept the Public Works Board financial assistance and to provide for repayment of the loan as set forth in the Contract.
3. There is currently no litigation in existence seeking to enjoin the commencement or completion of the above-described public facilities project or to enjoin the Contractor from repaying the loan extended by the Public Works Board with respect to such project. The Contractor is not a party to litigation which will materially affect its ability to repay such loan on the terms contained in the Contract.
4. Assumption of this obligation would not exceed statutory and administrative rule debt limitations applicable to the Contractor.
