- Commissioners suggested additional discussion and coordination with the Snoqualmie Tribe given the large hotel and conference center they are building and potential for partnerships and opportunities to connect their casino and hotel patrons to North Bend businesses. James Henderson noted that looking into such opportunities will be a part of the work program for the Economic Development Commission in the year ahead.
- Commissioners discussed and suggested adding additional metrics to the Economic Development Element regarding sales tax and property tax revenue estimates per acre for different commercial and industrial areas of the City and site factors and circumstances that factor into that (such as allowed land uses, amount of vacant land, parking lot sizes, etc.)
- Commissioners suggested adding policy language within the Land Use Element of the Comprehensive Plan to consider likely tax (sales and property) revenue implications when evaluating potential for rezones.

43

44 Subject to the above referenced modifications to be made by staff, Commissioner Boevers provided a motion to
45 recommend City Council approval of the proposed Economic Development Element of the Comprehensive Plan
46 for adoption with the full 2024 Comprehensive Plan update. The motion was seconded by Commissioner Thiel and
47 passed 6:0.

48

49 **AGENDA ITEM #6: Adjournment by 8:30 PM unless otherwise approved by the Commission**
